DIAMOND VALLEY BASKETBALL ASSOCIATION INCORPORATED NORTHERN JUNIOR BASKETBALL LEAGUE

These By-laws are endorsed by the Board of the Diamond Valley Basketball Association (DVBA).

The role of the DVBA, through its Junior Domestic Competitions, the Northern Junior Basketball League (NJBL), is to provide a safe and enjoyable environment that enables each player to develop to the full potential of their ability and desire.

The Competitions will be administered by the DVBA's Competitions Manager in accordance with *Basketball Victoria's Rules of the Game*, Basketball Victoria's Policies and these By-laws.

The Competitions Manager will generally be responsible for the conduct of the Competitions and has the power, under these By-laws, to administer the rules, procedures and regulations.

The Competitions Manager, in conjunction with the DVBA's General Manager, will make any necessary ruling or determination in matters not specifically addressed in these By-laws.

1.2. Seasons

- 1.2.1. The DVBA will coordinate two (2) NJBL Seasons each year: Spring Season and Autumn Season.
- 1.2.2. Autumn Season will be run between 1st January and 30th June each year.
- 1.2.3. Spring Season will be run between 1st July and 31st December each year.

These criteria will define the Age Group name.

- 1.3.3. Member Clubs will be responsible for verifying the age for each member player. Should any doubt exist over a player's age, the Competitions Manager may require the club to supply proof of the player's date of birth.
- 1.3.4. The Competitions Manager is responsible for publishing the Age Groups and their qualifying age brackets each Season and will publish them, prior to opening registrations, at <http://dvbasketball.com.au/about-junior-domestic/>

1.4. Competitions

- 1.5.3. Teams are graded based on their ability to play at a specified level within their specific Age Group. Where a club is uncertain of a team's ability, it is expected that the team will be entered into a higher rather than lower Grade.
- 1.5.4. Teams' performances are assessed during the Grading Period (See Section 1.6) and teams may be regraded if they are under or over performing in a Grade.
- 1.5.5. The Competitions Manager will seek feedback from Member Clubs during the Grading Period in relation to the performances of their teams.

The aim is to have all teams placed into Grades in which they will be competitive.
- 1.6.5. Clubs may submit any grading concerns, in writing by 6.00pm on the Monday following the last round of the Grading Period, listing each team that they have concerns about and the Grade to which they believe the team(s) should be assigned. Clubs should provide as many relevant notes as possible in support of regrading requests.

1.9.6.6. On return to the playing court, if the player commits a similar indiscretion to that which had them sent to the sin bin, the Referees may apply a Disqualifying Foul with the appropriate penalty applied.

1.11. Online Competition Management

PlayHQ is the Online Competition Management System (OCMS) developed by Basketball Victoria and used by the NJBL to register and manage Competitions, players and teams each Season.

At an Association level, the OCMS is administered by the Competitions Manager. Subordinate to that, each Member Club manages their own players and teams.

The OCMS links player and team registrations, from every club, to the season fixtures and the courtside scoring system.

The OCMS' courtside scoring system will only display, on the electronic score sheet, the names of Allocated Players in a team.

For definitions of Allocated Player and Fill-in Player see Section 1.7.

- 1.11.1. Member Clubs must designate officials who will manage the OCMS at their own club level.
- 1.11.2. Allocated Players who are present prior to the commencement of a game should have their name ticked off on the OCMS electronic score sheet. Players' names should not be ticked off until they are physically present at the game.
- 1.11.3. Allocated Players in a team who arrive after the commencement of a game should have their name ticked off on the score sheet and may then take the court at any point prior to the completion of the game.
- 1.11.4. A Fill-in Player must have their details added to the electronic score sheet **prior** to the commencement of the game.

Note: If a team declares that a player should be showing as an Allocated Player on the electronic score sheet, but is not, they should be added as a Fill-in Player for the game. The team should subsequently contact the relevant official at their club to ensure that the player is allocated to the team via the OCMS.

- 1.11.5. Failure to have a player's name on the scoresheet prior to them participating in the game will result in a Technical Foul (See *Art. 36 Technical foul of Basketball Victoria's Rule of the Game* which can be found at <http://basketballvictoria.com.au/rules-of-the-game/>) being awarded to the opposing team.

The player whose name was not added to the score sheet, prior to their participation in the game, must leave the court and may not continue to participate in the game.

- 1.11.6. Details required to be added for Fill-in Players:
 - first name
 - last name
 - date of birth
 - contact email address (usually of player's parent/carer).

Care must be taken to ensure that all details are correct when being entered onto the electronic score sheet. A team may be penalised (game declared a Forfeit) if information is entered incorrectly. When adding a Fill-in Players' details to the electronic score sheet, their initials should not be used, in place of their full name, as the entry will not match their formal registration in the OCMS and the

player will not be credited with the game played.

- 1.11.7. Teams must have a minimum of five (5) and a maximum of 12 Allocated Players.
- 1.11.8. During any game, a maximum of 10 players per team (Allocated Players or Fill-in Players), are permitted to participate.
- 1.11.9. When a team has a Bye, all Allocated Players in the team will be credited with having played the game.
- 1.11.10. Each team must provide one competent Score Table Official (scorer or timekeeper) for each game in which the team is engaged.
- 1.11.11. Where a team's scorer is not present at the allocated start time of the game, the Referees will start the game clock, but the game will not commence.

For each minute that the scorer is not present, one (1) point will be awarded to the opposition. If by the six (6) minute mark of the first half a scorer is not present, the game will commence with the six (6) game points allocated to the opposition and displayed on the score board.

- 1.11.12. Score Table Officials must be at least 14 years of age.
- 1.11.13. The coach of either of the teams participating in a game cannot also act as a scorer.

1.12. Cancellation of Games

- 1.12.1. Where a game is called off due to unforeseen circumstances beyond the control of the NJBL, including but not limited to unsafe playing conditions or an injured player prohibiting continuation of a game, the game is deemed to have been cancelled.
- 1.12.2. At the discretion of the Competitions Manager, a game that has been called off may be rescheduled.

2. Finals Series

2.1. Qualification

- 2.1.1. At the conclusion of the Regular Season, if any teams are level on Premiership Points received, the team having the higher percentage points will take the higher ranked position on the Competition Ladder.
- 2.1.2. If two or more teams are equal on Premiership Points **and** percentage points at the end of the Regular Season, the points difference (total points for minus total points against) in the games between the teams that are level will be used to establish the Finals Series ranking: Head to Head.
- 2.1.3. If the teams are still ranked equally after applying clause 2.1.2, the points difference in all games played in the Competition, across the Regular Season, will be used to establish the Finals Series ranking.

2.2. Eligibility

- 2.2.1. To be eligible to play in the Finals Series, an Allocated Player (See Section 1.7) must have played more than half of the fixtured games, inclusive of more than half of the games in the Grading Period, for the team(s) they are Allocated Players in that Season.
- 2.2.2. Where a team has a Bye, receives a Forfeit or a Walkover, all Allocated Players in the team will be credited as having played that game, for Finals Series' eligibility.
- 2.2.3. For the purposes of Finals Series' eligibility, a Fill-in Player (See Section 1.7) will not be credited with games played.
- 2.2.4. Where a team only qualifies five (5) Allocated Players for a Finals Series game, no additional players will be permitted to participate in the game.
- 2.2.5. If a player is granted a transfer to a new club after the commencement of the Season, they must meet the criteria specified in clause 2.2.1, with their new club, to qualify for the Finals Series.

Note: player transfers are not accepted after the third round of the Grading Period. (See *Association By-laws Section 7 Clearance and Transfer Restrictions*)

- 2.2.6. Upon written application for Special Consideration - from the Club Delegate to the Competitions Manager - consent may be given, due to extenuating circumstances, to allow a player to play in a Finals Series game where they have not met the necessary eligibility criteria in clause 2.2.1.
- 2.2.7. Where an Allocated Player is injured following the last game of the Regular Season, and cannot participate in the Finals Series but is able to present a medical certificate, consideration will be given to the affected team in regard to replacing the injured player.

A replacement player will only be considered to bring a team to a total of five (5) players in a Finals Series game. Any replacement player must be eligible (See Section 1.7) and be approved by the Competitions Manager.

- 2.2.8. Where Allocated Player(s) are injured during the Regular Season, they may obtain Finals Series' eligibility for the games missed by producing a medical certificate for approval by the Competitions Manager.

The medical certificate must be submitted within seven (7) days of the first game missed, by the Allocated Player, due to the injury. Players are not eligible to play any games for the period prescribed in the medical certificate.

- 2.2.9. Allocated Players who do not qualify for Finals Series games, according to clause 2.2.1, because of involvement in Basketball Higher Duties throughout the Season (as deemed relevant Higher Duties by the Competitions Manager), may apply for Special Consideration.
- Application for Special Consideration must be made in writing, to the Competitions Manager, within seven (7) days of any Grading Period or Regular Season games missed by the player.
- 2.2.10. Member Clubs are asked to abide by any reasonable request for a deferred Finals Series game time, organised by the Competitions Manager, if Special Consideration has been sought for a player involved in Basketball Higher Duties.
- 2.2.11. If a Finals Series game has been played and it is subsequently determined that a team allowed an ineligible player to participate in the match, the game will be declared a Forfeit. The game will be awarded to the opposing team with the score recorded as 20-0. A fine will be imposed on the offending team/club. (See Section 1.13)
- 2.2.12. If a team seeks to play in a Finals Series game knowingly including an ineligible player and declaring such to the Competitions Manager, the game may be played with the result being declared a Forfeit. The opposing team must agree to play the match and the game will be awarded to the opposing team with the score recorded as 20-0. (See Section 1.13)

2.3. Format

- 2.3.1. The Competitions Manager reserves the right to structure the Finals Series as circumstances require.

- 2.4.6. During any extra period, the clock will stop for all Referee whistles throughout the period.
- 2.4.7. During extra periods, each team is entitled to only one (1) time out. If a coach has no time outs, one will be allocated.

3. Miscellaneous

3.1. Care of Venues

- 3.1.1. Any club, team, player, official or other person responsible for willfully causing damage to a venue, used in the NJBL Competitions, may be required to make reparations for costs incurred, as determined by the DVBA. The Competitions Manager will document the evidence and any allegations related to the damage caused, in the process of making its determination regarding liability and responsibility for reparations.
- 3.1.2. Any person who wishes to contest a claim, which states that they have caused willful damage to a venue, should do so in writing to the Competitions Manager. If necessary, a meeting will be arranged between the person(s) contesting the claim and members of the DVBA Board, who are responsible for making determinations on such matters.

3.2. Game Incidents

- 3.2.1. If an incident occurs on gameday, that is not deemed serious enough for a Tribunal; a Referee, Supervisor or Club Official must complete an incident report, and send it through to the Referee Administrator. The Supervisor should be made aware of the report and include this on their shift reports.
- 3.2.2. The Incident Report process can be found in the NJBL Association By Laws, Section 8.

3.4. Sin Bin Rule Common Questions and Answers

3.4.1. Q. What if the second Technical Foul is for a ‘technical’ offence - eg. leaning over the line on a pass in?

A. The sin bin option should not be applied.

3.4.2. Q. What if the Technical or Unsportsmanlike foul occurs with one minute to go in the first half?

A. The player sits out the last minute of the first half, then the first four (4) minutes of the second half. Similar reasoning would be applied to all intervals of play between periods.

3.4.3. Q. What if the Technical or Unsportsmanlike foul occurs with five (5) minutes or less to go in the second half?

A. The player is out for the remainder of the game.

3.4.4. Q. What if a player who is sin binned refuses to leave the court?

A. Normal game rules apply, and the player can be reported. A Referee/Venue Supervisor has the authority to call the game off due to player non-compliance. (See Section 3.2).

3.4.5. Q. What if the team of the player who is sin binned only has five (5) players?

A. Now they only have 4!

3.4.6. Q. What if a team only has two (2) players left and one is ‘substituted’ because of a sin bin infraction?

A: The game is over. The opposition win by Forfeit (See Section 1.13)

3.4.7. Q. What if a time out is called during a player’s sin bin period?

A: Five minutes in the sin bin is a ‘fixed time’ during a playing period. Any time outs are not included in that fixed time and therefore extend the player’s time on the bench.

3.5. Player Eligibility Scenarios

This Appendix provides some practical examples of the implementation of Section 1.7. It is important to understand that Section Numbers (See Section 0) of a Grade are not relevant, only the Grade.

Situation: Jenny is 13 years of age and is playing as follows for her Club:

3.5.1. She is allocated to a team in U16-C1 and another team at her club playing in U14-B2 needs a Fill-In.

For this scenario she would be allowed to play based on:

- ✓ Her Natural Age Group is U14 and so is age appropriate (Clause 1.7.6).
- ✓ She is only playing in the one team in each Age Group that round (Clause 1.7.10).
- ✓ Her Designated Grade is C Grade and she is playing **up** from her Designated Grade (Clause 1.7.8).

3.5.2. She is allocated to a team in U16-C1. Her team has a bye and another team at her club playing in U16-B2 needs a Fill-In.

For this scenario she would be allowed to play based on:

- ✓ Her Natural Age Group is U14 and so is age appropriate (Clause 1.7.6).
- ✓ Her team has a Bye and she is only playing in the one team in an Age Group that round (Clause 1.7.10).
- ✓ Her Designated Grade is C Grade and she is playing **up** from her Designated Grade (Clause 1.7.11).

3.5.3. She is allocated to a team in U16-A. Another team at her club playing in U14-A needs a Fill-In.

For this scenario she would NOT be allowed to play based on:

- ✓ Her Natural Age Group is U14 and so is age appropriate (Clause 1.7.6).
- ✓ She is only playing in the one team in an Age Group that round (Clause 1.7.10).
- ✗ Her Designated Grade is A Grade but she is NOT playing **up** from her Designated Grade (Clause 1.7.8).

Situation: Jonny is 11 Years of age and he would like to play for his Club as follows:

3.5.4. He is allocated to a team in U12s in B1 Grade and allocated to another Team in 14 in C3.

For this scenario he would be allowed to play based on:

- ✓ He is playing in his Natural Age Group (Clause 1.7.6) and only one Age Group up (Clause 1.7.7).
- ✓ He will be playing in an Age Group only once each round (Clause 1.7.10).
- ✓ His Designated Grade is B Grade (Clause c) and in the higher Age Group he is playing down only one Grade B -> C (Clause 1.7.8).

NOTE: Clubs need to be careful of the situation where a team may start Grading Period as this scenario details but during Grading Period the Teams are re-graded such that the difference between the Grades of the 2 Teams is greater than 1.

3.5.5. He is allocated to a team in U14s in A Grade and allocated to another Team in 16 in B2.

For this scenario he would not be allowed to play in the U16 team based on:

- ✗ His Natural Age Group is U12 and the U16 team is more than one Age Group up (Clause 1.7.6).

3.5.6. He is allocated to a team in U12s in B1 Grade and allocated to another Team in 14 in D1.

For this scenario he would not be allowed to play in the U14 team based on:

- ✓ He is playing in his Natural Age Group and only one Age Group up (Clause 1.7.6).
- ✓ He will be playing in an Age Group only once each week (Clause 1.7.10).
- ✗ His Designated Grade is B Grade and in the U16 team he is playing down more than one Grade B -> C -> D (Clause 1.7.8).
